We welcome you to submit your original research paper(s) to the 11TH International Conference on Industrial Technology and Management that to be held in Oxford, United Kingdom on the 18, 19 and 20th of February 2022. Due to COVID-19, ICITM 2022 will provide virtual presentation for whom can’t attend the conference in person in Oxford, United Kingdom.

**Topics of interest include, but are not limited to:**

- Industrial Automation, Communication, Networking and Informatics
- Control Systems, Robotics and Mechatronics
- Electrical Machines and Drives
- Power Electronics and Renewable Energy Conversion
- Power Systems and Smart Grids
- Sensors, Actuators and Micro-Nanotechnology
- Cloud Computing, Big Data and Software Engineering
- Electronic Systems on Chip and Embedded Control
- Signal and Image Processing and Computational Intelligence
- Production Management
- Advanced Production Management Methodologies
- Project Management
- Research and Development
- Quantitative Analysis in Industrial Management
- Artificial Intelligence and Information Technology in Industrial Management
- Practice and Experiences in Industrial Management
- Digital Factory
- Energy and Environment Management
